

Technical File

Art. 5072MF

DESCRIPTION

Knitted polyester glove with nitrile micro-foam coating, used for its excellent resistance to abrasion.

This glove is suitable for many work situations in dry, slightly humid and greasy conditions while maintaining a good grip and optimal dexterity.

CHARACTERISTICS

- seamless knitted polyester liner
- micro-foam nitrile coating over palm and fingers
- ventilated back
- elastic knit wrist
- gauge: 15
- colour: grey liner / black nitrile micro-foam coating

SIZES

Available in sizes 7 to 11

APPLICATIONS

Dry or slightly humid environment.

Glove suitable for work in sectors such as:

- gardening
- handling small objects
- DIY projects
- assembly
- logistics
- general purpose

MAINTENANCE - STORAGE

- heavily damaged gloves will affect level of protection and should be replaced
- in the original package in a well-ventilated area away from extreme temperatures
